Kanye first broke the news on a New York radio Power 105.1 Breakfast Club, that a [Black](#) version of the Yeezy 750 would hit the market soon, and some are projecting it to drop as early as this Fall/Winter 2015.

There has been no word on how Ye and adidas would use the shade of Black onto the sneaker, but here are detailed photos of how exactly the adidas Yeezy 750 Boost [Black](#) colorway will look like. The shoe sports an all-Black suede upper that was originally seen with a White boost sole, but the release version could be a fully [Blackout](#) colorway as seen below.
